Sidney Littlefield a Mason 75 Years

Left to right: Raynor D. Littlefield, nephew; Sidney Littlefield; R. W. Grand Lecturer, Aubrey L. Burbank of Skowhegan; Horace L. Littlefield, brother, and the W. M. Charles W. Day in background.

A special communication of Jefferson, No. 100, A. F. & A. M., was held at Masonic Hall, Bryant Pond, Tuesday evening, June 10, for the purpose of working the third degree on one candidate and honoring the lodge's oldest living member, Sidney Littlefield, of North Abington, Mass.

Mr. Littlefield was made a Master Mason December 10, 1882, thus making him the fifteenth oldest Mason in the world.

R. W. Grand Lecturer and Past M. W. Grand Master Aubrey L. Burbank of Skowhegan, representing the M. W. Grand Master of the Grand Lodge of Maine, presented Mr. Littlefield with a seventy-five year member medal, a gift of Jefferson Lodge.

About 60 Masons from fifteen different lodges enjoyed R. W. Bro. Burbank's interesting and appropriate remarks.

A quartet composed of Homer Carnes, Stanley Andrews, Clinton Jenkins and Gilman Whitman rendered several selections during the evening.

A delicious roast turkey supper was served preceding the evening program by the ladies of the Star Birthday Club.

Mr. Littlefield was born in Stoneham, Maine, December 10, 1882. He came to Bryant Pond as a young man where he worked in John E. Dearborn's wool mill until moving to North Abington in 1894.

He built his first greenhouse two years later and became world famous as a propagator and grower of carnations. This earned for him the well deserved title of "Mr. Carnation."

His one hundredth birthday was celebrated at his church (North Abington Baptist) last December 10.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Tarring of the Village streets and town ways was started last Friday. The unseasonable weather has been the cause of not completing the work as soon as anticipated. A total of about 40,000 gallons of asphalt will be applied this year. About three-quarters will be applied at the present time, the remainder will be used to treat the 1958 road construction during this fall. The D & S Corporation of Yarmouth is supplying the asphalt at a cost of 1224 per gallon, which is .025 less than last year. This reduction in price will result in a substantial saving to the town this year, which should result in about \$1,000 showing as unexpended at the end of the year in the Surfacing Account.

The public response in attending the public meeting regarding the proposed zoning plan was disappointing, with only about 25 persons present. After discussing the proposed ordinance it was decided to hold another public meeting, previous to which the Planning Board are to meet to discuss the changes that were proposed at the Friday night session. It is hoped that as a result of the two meetings that an ordinance can be drafted that will be acceptable to the majority of the voters when it comes up for a vote at a special town meeting to be held at a later date, which at the present has not been decided.

Frequently the office has a call as to the population of the town. The 1950 census lists 2367. It is currently estimated at 2500.

Sincerely,
Harold L. Bean

WEEK END WIND CAUSES MUCH DAMAGE

High winds which continued through Saturday and Sunday, toppling off Monday, caused considerable damage over a wide area. In Bethel and nearby communities several trees were blown down and many branches blown off. Telephone and power lines and many roads were also damaged.

Due to the tabulation of election figures, more advertising, and generous contributions of news, we are again compelled to omit several articles and news reports which were received Wednesday and Thursday morning.

CIRCULAR LETTERS INSECT DISEASE CONTROLS

These gardens in Maine having trouble with insects and diseases of their vegetables will want to get a copy of Maine Extension Service Circular 287 (revised). It called "Home Garden Insect and Disease Control" (copies may be obtained from county agents of the Maine Extension Service or by writing the Bulletin Office, Extension Service, University of Maine, Orono).

PATRICK O'BRIEN

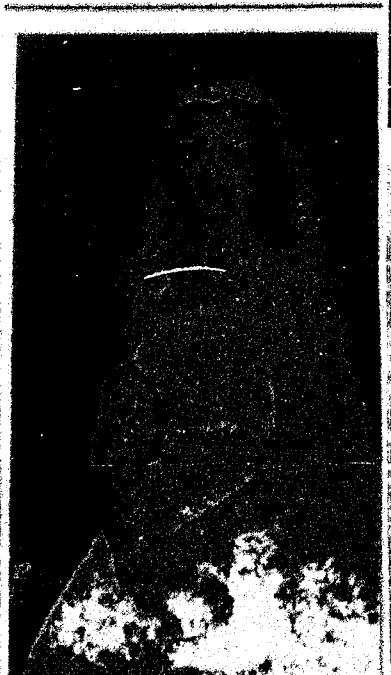

Patrick O'Brien, husband of Mabel O'Brien, died Wednesday morning at Augusta. Mr. O'Brien was the father of Patricia O'Brien Deane of Berlin and Dr. William M. O'Brien.

He was born in Limerick, Ireland, August 13, 1888, the son of Thomas and Catherine Clougherty O'Brien, Nashua, N. H.

Mr. O'Brien was a resident of Nashua, N. H., during his early youth and since his marriage in 1925 has resided in Bethel.

Other survivors include a brother, Michael, Nashua; Mrs. Margaret Hanson, Mrs. Anna Cooke, Nashua, and Mrs. Mary Boise, Concord, N. H.; three grandchildren, Thomas, Margaret, Berlin, and several nieces and nephews.

High mass will be held at St. Kieran's Church in Berlin, N. H., Saturday at 9 a. m. Friends may call at the Greenleaf funeral home 2-4 and 7-9:30 p. m. Thursday and Friday. Interment will be at St. Kieran's Cemetery, Berlin.

Mrs. Alan C. Chase

CHASE - ANDERSON

Miss Donna Anderson, daughter of Mr. and Mrs. Orville H. Anderson of Bethel, and Alan Chase, son of Mr. and Mrs. Ralph Wendell Chase, Limerick, were united in marriage at 4 o'clock, Tuesday afternoon, June 10, at the West Parish Congregational Church, Bethel.

The Rev. Clifford Laws, pastor, officiated at the ceremony with Mrs. Lawrence Lord, at the organ. The soloist, Mrs. Walter Maruse, sang, "I Love Thee" and "Because." Church decorations featured candles, white shasta daisies and summer greens.

Exchanged and given in marriage by her father, the bride wore a gown of white embroidered tulle organza over tulle with lace collar bordering the sleeves, sweetheart neckline and hem of the bouffant skirt which had a large bow and terminated in a chapel train bordered in organza. Her fingertip veil of white illusion was held in place by an embroidered organza cap trimmed with seed pearls. She carried a bouquet of red and pink roses. Mrs. Donald Eberington attended her sister as matron of honor. The bridesmaids were the Misses Joan Connor, Bethel, and Sandra Myers, Bethel. The attendants were identical gowns of aqua chiffon tulle princess style skirt with harmon draped back panel and bow at back. Their headpieces were of pastel flowers, and they carried old fashioned bouquets.

As Glenn Lane, Tuba Gals-homa, served as best man. Dr. Joseph E. Ellis, M.D., Bethel, Dr. Joseph E. Ellis, M.D., Bethel, and Mark Nichols, Limerick, were the ushers.

The bride was graduated from Vermont College where she received an associate in arts degree. Mr. Chase is a graduate of West Point, and is now serving with the United States Air Force.

Hildreth-Clauson in Governor Race

The result of the primary election Monday in most cases showed pleasing margins of victory for the winning candidates.

In the Republican lists, Former Governor Horace Hildreth outdistanced his opponent, Philip F. Chapman, Jr., for the gubernatorial nomination. Senator Frederick Payne, seeking re-nomination, easily defeated Herman Sahagian by a 6-1 score. Congressman Robert Hale, who has held office the past two years in spite of an unsettled recount decision with his 1956 Democratic opponent, James Oliver, defeated his two adversaries, Peter A. Garland and George E. Curtis, Jr., and will contest with Oliver again in September. Hale's victory

was not anticipated by many Republicans who did not relish the memory of his close victory, if any, two years ago.

In the Democratic list, Governor Edmund Muskie was not opposed as a candidate for the United States Senate. Candidates for Governor were Clinton A. Clauson and Maynard Dolloff. Clauson was the winner by a small margin, James C. Oliver, a one-time Republican Congressman and whose standing in the 1956 contest has not been settled, defeated Adam Walsh as this year's Democratic candidate from the first district.

Complete county returns on all contested State and County offices will be found on page two.

N.T.L. Starts Twelfth Summer Here

National Training Laboratories this summer is conducting its Twelfth Annual Summer National Training Laboratory in Group Development at Gould Academy, in Bethel. For the past eleven years the Division of Adult Education Service of the National Education Association has been serving our nation's growing need for practical, effective, and democratic leaders in all occupational fields.

Whether in industry, government, education, civic groups, or labor, research indicates that effective leadership depends on face-to-face working relations in small groups.

The two 3-week summer laboratory sessions at Gould Academy are devoted to the more effective development of human relations knowledge, insights, and research on the part of various professional and volunteer leaders; and to development of abilities to overcome resistances to change in organizational and community situations. As during the past two years, two

sessions will be held: the one now in progress began Sunday, June 15, and will close officially at noon on Friday, July 4. The second session will start July 13, and end on Friday, August 1.

The National Training Laboratory in Group Development is sponsored by the National Training Laboratories of the Adult Division of Adult Education Service of the National Education Association, Washington, D. C.

This year the Laboratory will go more deeply into the whole problem of community leadership training than in the past, as well as training for leadership in organizations, and in staff, committee, and discussion groups.

The combination of research, training, and democratic action is the cornerstone of the work of the National Training Laboratories, whose laboratory approach to training is rapidly gaining recognition in Europe, in South America and the Orient, as well as in the United States and Canada.
